

K-Love radio is the only full-time Christian station in our area and it is extremely important to me and the people in my community. The station is such an encouragement for Christians and a life-saving help to non-Christians. It gets the word out about Christ's love to lost people who may not have another way to hear of His saving grace. Please do not let this fantastic ministry have less priority than the LPFM translator stations. Thank you for listening.
